MEMORANDUM FOR 119 WING PERSONNEL

FROM: 119 WG/CC

SUBJECT: 119 WG Environmental Management System (EMS) Commitment Statement

1. REFERENCE: Executive Order (EO) 13423, AFPD 90-8 and International Organization for Standardization (ISO) 14001
2. The base EMS Environmental Commitment Statement is as follows:
 - a. The 119th Wing and the entire North Dakota National Guard is committed to steadfast excellence, leadership, and stewardship in protecting the environment. The use of an EMS is one of our most effective and efficient tools in accomplishing this task. Our mission is to provide trained and ready Airmen executing world class MQ-9 precision attack and reconnaissance, kinetic and non-kinetic target intelligence production, and expeditionary support capabilities for the nation and state. To demonstrate our leadership in preserving the environment, we will meet our mission requirements while providing sound environmental stewardship.
 - b. To sustain this commitment, our EMS vision is to continually reduce waste through pollution prevention, improve our environmental performance by minimizing our impacts on the manmade and natural environment, and maintain compliance with all federal, state and local environmental regulations as well as other legal requirements as applicable.
 - c. Our EMS vision has already led to major environmental improvements and will continue to improve and meet prioritized objectives and targets set by our cross function team and suggestions from base personnel. This EMS commitment statement will be a living document that will be implemented and maintained by all 119th personnel and available to the general public.
3. This EMS Commitment Statement supersedes all letters pertaining to the same subject and the EMO Office is the Point of Contact at 701-451-2145.
